

# Billy Banana - Big Beat Entertainment

**Billy Banana can supply a number of party formats and lengths, so you can be sure he can tailor a performance to suit your needs, whether it's for a small birthday party or a large corporate function. Billy brings his friends Celia the Seal and Freddie the Teddy to keep the children entertained. Billy can also provide a Punch 'n' Judy show.**

Billie Banana, aka Peter, performed his first fee earning show at 12 years of age and has been entertaining for over 40 years. He has appeared at functions of all sorts, including parties, fetes, carnivals, stage shows and pantomime to name a few, as well as being the Punch 'n' Judy man on the beach!

The most popular length of show is the 2 hour one, which is suitable for children aged 4 – 8 years old. This consists of an hour of hilarious games and competitions full of fun and laughter. Some of the games have been updated and adapted to ensure that no children are 'out', something Billy tries to avoid! The children then sit for their food for around 30 minutes, after this they are entertained with the hilarious Billy Banana's Magic Show, which includes balloon modelling. The birthday child can help with this if they wish. Punch and Judy, Celia the Seal or the Amazing Hanky Mouse may be included on request. The perfect stress free party for the parents.

For corporate events, fetes, carnivals etc, Peter will perform the magic show as well as games and lots of fun for all the children involved. Billy is CRB checked and has full public liability insurance.
