

# The Decibelles - Big Beat Entertainment

**Fronted by lead vocalists, Jo and Donna-Kate, the girls work delicate harmonies into heartfelt ballads, bringing to life divas of the past and ignite the spark for your entertainment. Together they will create a show full of fun and energy!**

Combine the girls with the boys and you get one of the premier function bands in the South West. The boys are masters of their craft and bring a wealth of experience as highly skilled professional musicians.

They also have dedicated DJ's to keep your dance floor full even when the band aren't playing. Collectively, they make an amazing entertainment experience, which is why they are award-winning.

Their set list is full of effortless romantic classics, ambient jazzy beats and dance floor fillers, the great songs we all love to hear, but they put their Decibelles stamp on them to make them unique. They have 100s of songs in our arsenal!

A fantastic band who will give 110% for any kind of event.
