The Squirrels aka Kenny and Chris, have been working together since 2013 but have been in the industry a lot longer. Having entertained crowds of both a family and adult nature they really feel there isn't a lot that they cannot cater for.

They do a standard 2 x 45 minute sets but can also work with other artistes for a fully themed night if requested. So for an evening of outrageous comedy and music, The Squirrels are the duo you need!
